

CCS 900 Ultra System

- ▶ Designed for esthetic, acoustical and functional performance
- ▶ Unique, patent pending “Possible-To-Speak” indicator
- ▶ World-class recording solution for congresses and conferences
- ▶ Easy and convenient to use
- ▶ Future-proof extensibility
- ▶ Digital acoustic feedback suppression

The CCS 900 Ultra Discussion System from Bosch brings order and convenience to small and middle-sized gatherings and conferences. This versatile and economical system is both simple to install and extremely straightforward to use. It has all the facilities required for achieving full control of meetings and discussions, without the need for an operator.
